Description

I am the owner of a small angry cat.

The winning bidder will receive one visit from me and my cat, my cat will then bite you.

I personally can't think why anyone would want this but I also can't think why anyone would want a monkey phone call or someone dropping by their house to beat them up. What you do with your money is nobody's business but your own.

Rules:

- I must be present while my cat is biting you. I might want to laugh or take pictures or something.
- There will be no hitting the cat after he has bitten you. You knew it was going to hurt, you shouldn't be surprised.
- I am not responsible for any loss of life or limb. I am also not responsible if he refuses to let go; you can deal with that yourself, but remember the no hitting rule.
- If bitee is not winning bidder, bitee must be willing participant. I.e. you stick your hand out, my cat bites it. I don't want him to have to chase someone around a house to do the biting.
- Bite must be on bare flesh. Cat food or a meat paste of some description may be applied if cat doesn't feel up to biting.
- Bitee must reside in greater Chicago area ([email me](#) for definition of greater Chicago area) or be prepared to furnish travel costs for both myself and my cat.

- I will provide current vaccination records (including recent rabies vaccination) for cat. Bitee must be able to do same.

These things cost extra:

- biting of any body part other than hand - **no genitalia!**
- biting hard enough to break the skin.
- having me bite you instead of the cat.
- 8" X 10" glossy of my cat sinking his teeth into you.
- scratching.

I will accept PayPal, money orders/cashiers checks, and cold, hard cash as payment.
